DISCUSS WARRANT AT ANDOVER CLUB

Town Officers Explain Articles Asking for Alteration at Town House and New Pump at Fire Station—Few Members Take Part in Discussion

If the discussion of the Town Warrant held last evening at the Andover Club with Samuel Hulme presiding is any criterion, Monday's meeting will be a quiet one. More than fifty men were present but only a few took an active part in the discussion.

The question of appropriating \$13,000 to purchase a new pump for the fire department was the only item which seemed to stir the feelings of those present. Chairman Frank H. Hardy opened the discussion by saying that the article was endorsed by the Board of Selectmen. Although the sixteen-year old pump has broken down on several occasions the consequences, up to the present time, have not been serious. With seventeen or eighteen million dollars worth of property he felt that its protection should be more adequate.

John Traynor's comment that it seemed to him as if the pump always broke down about Town meeting time brought forth an answering fire.

Mr. Hardy replied that in the best judgment of the selectmen a new pump was necessary. In recent years millions of dollars worth of mill property has been added to Andover's valuation. If a serious fire took place and hundreds of working people suffered in consequence the responsibility of not having more adequate fire protection would now lie with the voters and not with the selectmen. Moreover forty-one per cent of the expense would be borne by the corporations as their share of the taxes.

William C. Crowley, who claims to be the father of Andover's motor apparatus, asserted vehemently that it would be a big mistake not to purchase the new pump.

Henry Todd, a member of the fire department was another strong advocate of the new pump. The members of the fire department knowing the needs of the department and the service required of its apparatus were naturally the first to be interested in its purchase. Now both the selectmen and the Finance Committee are strongly in its favor. He told of the strain put upon the present equipment at the time of the forest fire in West Andover last spring when the aid lent by Lawrence was recalled and it was necessary to call aid from North Reading. At the time of the Converse fire, the center of the town was left unprotected until a piece of horse-drawn apparatus could be brought up from Ballardvale. A piece of motor apparatus could have covered the ground in a quarter of the time. Mr. Todd was of the opinion that everything was done to keep the old pump in the best of order, complimenting Hilton, Sparks and Pomeroy on their ability as mechanics.

Michael Dwyer asked how insurance agents felt about the need of additional property. He was immediately replied, that as an agent, he was of the opinion that a new pump is needed.

The article in regard to the regular appropriations was quickly passed over and many of the articles received no comment whatever. George A. Higgins explained in some detail the proposed changes at the Town house, saying that system and comfort de-

(Continued on page 4, column 5)

SALVATION ARMY MEETING

Churches Unite on Sunday Evening to Hear Address by Colonel Marshall and Music by Staff Songsters

A well attended union meeting in the interest of the Salvation Army was held at the South church on Sunday evening, Colonel Stephen Marshall, head of the Salvation Army in New England and Mrs. Marshall were the speakers and there was music by the Staff Songsters, a group of twenty-two singers from the Salvation Army New England headquarters in Boston.

Brigadier W. G. Hammond, general secretary of the Salvation Army in the New England states, opened the meeting with prayer and was followed by the Staff Songsters, who sang "Forward March". The lack of a piano in the auditorium prevented the rendering of the numbers by the Johnson children, with the exception of the cornet solo by George Johnson.

Mrs. Marshall, who is superintendent of the relief department of the Salvation Army in Boston, gave a brief outline of the relief operations and cited several interesting cases in illustration of the work.

"Wisdom is justified in her children" was the text chosen by Colonel Marshall, who told how the Army had justified its existence, describing the work in Boston and its vicinity.

A collection was taken amounting to a substantial sum and it is hoped that the quota of \$750 for 1928 may be reached. Further donations will be gratefully received by the treasurer of the local committee, Frederic S. Boutwell at the Savings Bank.

Those in charge of the mass meeting wish to thank Andover for its sympathy and support.

To Give Illustrated Lecture on National Parks

On the evening of Tuesday, March 13th, at 8.15, in the auditorium of George Washington Hall, Randall L. Jones, who is well known as an official lecturer for the Union Pacific Railway System, will give a talk on the subject, "Through Zion and Grand Canyon National Parks". It will be illustrated by several hundred feet of motion picture film, and by colored and dissolving lantern slides. Those who have heard Mr. Jones recommend him most highly, and say that his pictures are of amazing beauty. It is his purpose to interest the people of the East in the more picturesque features of western scenery, especially those in our government national parks. This is the last authorized lecture of the winter term.

LOCAL NEWS NOTES

Miss Anne Robertson has resumed her duties in Wilmington after a week's vacation.

Miss Elizabeth Hamblin is spending several weeks at her home on Chestnut street.

Indian Ridge Rebekah lodge, 135, held a business meeting Monday evening in Fraternal hall.

Garden Club Plans to Hold Annual Conference

Plans for a Garden Conference to be held April 23, in Christ church parish house were made at a meeting of the Andover Garden club held Tuesday morning with Miss Anna W. Kuhn, 48 Central street. There were about twenty members present.

Mrs. W. D. Walker was chosen chairman of the conference committee and appointed the following persons to assist her: Mrs. N. E. Bartlett and Miss Mary Byers Smith, exhibits; Mrs. J. Edson Andrews and Mrs. Maurice Curran, Jr., decorations; Mrs. Addison B. LeBoutillier, luncheon; Mrs. John Stewart and members of the program committee, program; Mrs. William A. Trow and Miss Anna W. Kuhn.

A very interesting report of the recent meeting of the federation of Massachusetts Garden clubs, held in Boston, was given by Mrs. William A. Trow. The helpful suggestions learned about rock gardens, new varieties, cutting and arrangement of flowers were passed on to the Andover club as well as the story of plant hunting in China, so that each member shared something of the enthusiasm and inspiration experienced by their representative.

Legion Auxiliary to Hold Supper

The American Legion auxiliary will hold the annual St. Patrick's supper on Thursday evening, March 15, from five to seven o'clock in the Legion hall.

The public is cordially invited to attend. An appetizing menu has been arranged consisting of cold stuffed pork, scalloped potatoes, relishes, rolls, coffee and all kinds of cakes appropriate for the season with ice cream.

Mrs. Bessie Franz is chairman of the committee in charge.

Notice to Members of Professional and Business Woman's Club

Members of the Andover Professional and Business Woman's club are reminded that next Tuesday evening, March 13, is the date set for the regular monthly business meeting.

All paid-up members who are eligible to vote are urged to be present as the office of president, which has been vacant for two months will be filled at that time.

Directors of Historical Society Hold Monthly Meeting

At a meeting of the directors of the Andover Historical society held Monday evening at the society rooms on Main street the chairman of the Washington hall committee, Fred E. Cheever, gave a partial report of the receipts and expenditures showing that more than \$125 will be realized from this successful social event. There are still some tickets to be heard from and prompt remittance should be made to the chairman of the committee.

The members of the committee appointed to make arrangements for the semi-annual meeting in April include John V. Holt, Miss Bell J. Butterfield and Miss Bessie P. Goldsmith.

Boy Scouts Receive Awards

An exhibition by Boy Scouts Troops 6, 7, 8, members of St. Augustine's parish, was held last evening in the hall of the parochial school. Parents and friends and members of the scout committee were present.

There were stunts, and competitive games as well as exhibitions of signalling and first aid.

Charles J. Bailey, chairman of the joint scout committees assisted by Joseph A. McCarthy made the following awards:

First class pins — Francis Mooney, and John Winters, members of Troop 7; Francis Sweeney, Troop 6.

Second class pins — John McCartney, Troop 8.
Tenderfoot — Arthur Burr, Troop 6.
Rev. Fr. Charles A. Branton, O. S. A., made a short address.

ANNUAL ELECTION OF TOWN OFFICERS

Andrew McTernan Receives Record-Breaking Vote for Selectman—Jeremiah J. Daly Wins in Contest for Two-Year Term and Opponent Asks for Re-count

LEGAL STATUS OF WOMEN

Members of League of Women Voters Listen to Story of Progress of Women as Told by Practicing Lawyer

Miss Greta Coleman, a practicing lawyer and chairman of the State Committee on the Legal Status of Women spoke before the meeting of the League of Women Voters held Tuesday afternoon at the Phelps house with Miss Amelia Shapleigh presiding.

The history of the progress of women in the past, their present status, and the goal toward which they are striving were the subject of her remarks. As a contrast to women's present privileges Miss Coleman spoke of their status under the common law when they had no political or property rights and no control over their children, legal identity being merged in that of the husband. Progress was made in women's emancipation until they are now able to hold property, make contracts, and have equal rights in the control of their children, not to mention the privilege of the ballot. In one half of the states they may serve on juries and in all states they may serve as legislators. It is also common for them to hold many municipal and state offices, this tendency being on the increase. They may now enjoy independent citizenship and have laws protecting them in industry.

The remaining problems according to Miss Coleman will be solved by changing the spirit of the times as well as by legislation. The goals especially aimed at by the League are jury service for women, a salary list providing equal pay for equal work and greater activity of women in governing positions in political parties.

Miss Shapleigh read a letter from Mrs. Thaxter Eaton, which enclosed a check for thirty dollars, the League's share of the proceeds from the Roland Chesley lecture, a like sum having been turned over to the Women's committee of the Andover Guild after paying Mr. Chesley a fee of twenty dollars.

Coffee, sandwiches and cakes were served at the close of the meeting with Mrs. W. D. Walker and Mrs. Eben A. Baldwin pouring.

Several Brush Fires

Tuesday morning, the fire department responded to an alarm from Box 64. The fire was near the home of Edward Hill on Carlisle street, Shawheen Village, where a large area of grass was burnt over.

At four o'clock Tuesday morning, the apparatus was called to extinguish a fire on the board walk near the Shawheen Village station. Hot coals from an engine is thought to have caused the blaze.

The fire department was called at four-twenty o'clock Monday afternoon in answer to Box 4 to extinguish a brush fire in the rear of Brechin terrace.

To Hold Means Speaking Next Friday Night

The sixty-first annual speaking of original essays for the Means prizes will be held in George Washington Hall next Friday evening, March 16, at 8.15. The public are cordially invited.

COMEDY

THEATRES

REPERTORY THEATRE

The text of Sir James Barrie's inimitable comedy, "What Every Woman Knows," which is to be given during the coming week at the Repertory Theatre is a remark of its heroine, Maggie Wylie; "What every woman knows," she says, "is that Eve was not made from a rib taken from Adam, but from his funny bone." Could anything be more Barresque than this? Could anything be more eloquent in its revelation of Barrie's unique brand of humor, a humor that has delighted millions of theatregoers and readers during a period of nearly forty years. "What Every Woman Knows" tells the story of one John Shand, a Scottish railway porter in search of love, of his triumphant success and of his relations with members of the Wylie family. Of all Barrie's plays it is a favorite everywhere. It has been acted many times, but it cannot be acted too often. Maggie Wylie was first acted in this country by Maude Adams, and she is a personage to test the mettle of any actress. The entire play a beautiful piece of comedy writing; it is adaptable to the most expert comedy acting, and its humor is as fresh now as when it was first written and acted twenty years ago. Barrie's humor, Barrie's charm, Barrie's fantasy, Barrie's vein of human understanding, Barrie's qualities of entertainment, fill every act of "What Every Woman Knows". Its return to the Boston stage at the Repertory Theatre will be welcome, and it will be acted there by Dennis Cleugh, Thayer Roberts, William Mason, Thomas Shearer, Arthur Bowyer, Katharine Warren, Olga Birkbeck, and Margaret Conklin.

METROPOLITAN THEATRE

Clara Bow, vivacious, capricious and startling star of "It" is the screen attraction at the Metropolitan Theatre, Boston, starting Friday, March 9, in a comedy entitled "Red Hair", written specially for her by Elinor Glyn. Directed by Clarence Badger, Clara is said to literally romp through a series

Looking Back Twenty-five Years

Blue birds and robins, spring's harbingers, are to be seen in sections of the town.

Letters from Edward C. Carter were read at the missionary service at the South church last Sunday night.

Walter C. Donald left Wednesday night for San Francisco, Cal., on a business trip to last four or five months.

George B. Baker has left the employment of Fred M. Temple and will commence work for M. F. D'Arcy next Monday.

William H. Higgins has gone down East on a business trip for ten days and hopes to purchase some good horses during his absence.

Prosser H. Frye, A.M., an old Andover boy now connected with the University of Nebraska, has been promoted by the board of regents of that institution from adjunct to assistant professor of English.

Arthur Whittemore of Washington avenue entertained several of his little friends Wednesday afternoon in honor of his sixth birthday. Games and songs were enjoyed after which lunch was served to the little folks.

Those present were Misses Emma Holt, Elsie Stiles, Myrtle Potter, Hazel Stiles, Thelma Karcher, Margaret Welch and Hattie Airington of Lawrence, and Lewis Paine, Gordon Whitman, Herbert Holt, Hastings Goodrich and Arthur Whittemore.

Mrs. Frank Fahey of New York is visiting at the home of her parents, Mr. and Mrs. John Joyce in Frye Village.

Dr. C. E. Abbott whose collection of stamps is already one of the best in the country is now working on a plate of English penny stamps of the issue of May 6, 1840.

These stamps are printed in sheets, twelve stamps wide and twenty deep designated A-A from the upper left hand corner to "A-L" in the upper right hand corner and so on, the last stamp in lower right hand corner being "T-L". Dr. Abbott's plate lacks only about twenty. One complete plate is known to exist in this country.

The Young Ladies' club of the Free church had an enjoyable meeting at the home of Miss Cecelia Kydd Tuesday evening.

Miss Helena Lindsay, who has just completed a course at the Bridgewater Normal school, has accepted a position as teacher in Wareham.

An athletic association has been formed at the Pynchard high school in the purpose of promoting general interest in athletics. At a meeting held recently the following officers were appointed to draw up a constitution:

Roy Lindsay, chairman; Harry Davies, John Donovan, Katherine Moynihan, Grace Coyne. Officers pro tem were elected as follows: President, Roy Lindsay; secretary, Russell Abbott.

Metallak Lodge, Metallak, N. H., on the First Connecticut lake, is the spot selected by Horace M. Poynter and Howard V. Bullinger, instructors at Phillips academy who are to conduct a summer school this year.

They have chosen a location situated almost in a wilderness, where wild animals of various descriptions are seen almost every day, in close proximity to good trout fishing and on a very pretty sheet of water. Only eight men will be taken as it is necessary that the work done with the individual.

The beginning of the Lenten season at Christ church was observed by the annual visit of the bishop of the diocese, Rt. Rev. William Lawrence, D.D., who administered the rites of confirmation to eight persons on Sunday evening.

The annual parish meeting of the West church was held last evening with a good attendance. Edward W. Burt acted as moderator. The following officers were elected: Frederick S. Boutwell, clerk; Peter D. Smith, treasurer; S. H. Boutwell, E. W. Burt and M. Warren Tuck, assessors; John S. Morrill and George L. Averill, auditors.

The annual meeting of the South church parish was held last evening at the church vestry. George Ripley was chosen moderator. The following officers were elected: E. K. Jenkins, clerk; J. Warren Berry, treasurer; T. Frank Pratt, George A. Parker and J. J. Abbott, assessors; Oliver W. Ver-nard, collector; David Shaw, trustee for life of Ministerial fund; William S. Jenkins, deceased; Charles H. Shearer and Charles H. Gilbert, auditors. It was voted

Baptist Society of Christian Endeavor Presents Gift

The members of the Andover Baptist Young Peoples Christian Endeavor society held a monthly business meeting at the home of the president, Miss Margaret Manning, 79 Maple court.

After the usual business was completed, the society presented Mr. and Mrs. Herbert Otis with a gift in appreciation of the kindness that they have shown the society and as a symbol of affection of the members.

The members gave to a number of dainty refreshments had been served by the hostess, Miss Margaret Manning.

Woman's Relief Corps Notes

The next meeting of the Gen. William F. Bartlett Woman's Relief Corps will be held on Tuesday evening, March 13. All officers are requested to be in their chairs so that the meeting can begin promptly at eight o'clock. Initiation will be held.

A baked bean supper will be held under the auspices of the Woman's Relief corps on Saturday evening, March 24. The place will be announced later.

that a new bell be purchased for the church to replace the cracked one now in the steeple.

Professor Warren K. Moorehead, curator of the department of archaeology, Phillips academy, delivered an interesting lecture on "The Cliff Dwellers of America" before the Lawrence Society of Natural History and Archaeology in the Lawrence High school hall, Tuesday night.

H. M. Poynter and Howard V. Bullinger entertained a party of twelve in the private parlors of the Phillips inn on Tuesday evening, March 3. After a game of whist, a dainty collation was served in the private dining room.

Only by a close margin was the contest decided as to who should fill the office of Selectmen, the place held by the patriarch of the Board of Selectmen, being sought by Walter S. Donald. It was only by sixteen votes that he won his victory and retained his position.

In the contest between Abraham Lincoln, the present Town clerk and tax-collector, and E. E. Trefry, who sought the office, Mr. Lincoln won by an ample margin. A very big vote was polled 853 in all.

There were six different ballots in the field designated, respectively Republican, Citizens, Independent, Republican, Independent and Citizens Independent. When the question of appropriating \$500 for the use of the Park Commissioners came up for discussion at the Town meeting, John N. Cole explained the plan to make a Richardson field a beauty spot in the center of town, and that a landscape gardener is at work on plans to that end.

The field would be known as the Common and would have no place on it for a playground. It was voted that a suitable site be secured, the Bailey schoolhouse and lot to be sold for \$1,000 be appropriated for the necessary expense and also that the selectmen be instructed to dispose of the Abbott schoolhouse and lot, the Bailey schoolhouse lot, the Scotland schoolhouse lot and the Holt district schoolhouse and lot to pass deeds making proper conveyance of the same. The report on the naming of the public streets was accepted and \$300 was appropriated to erect sign boards.

M. F. D'Arcy moved that "the moderator appoint a committee of fifteen to act as a finance committee, none of the members of which should be town officers, five for three years, five for two years and five for one year, and that the moderator should appoint five each year until the town otherwise voted and the town so voted.

The moderator appointed the committee. For three years, Arthur Bliss, W. S. Donald, M. F. D'Arcy, B. Rogers and J. Newton Cole; for three years, J. W. Barnard, J. C. Curran, J. W. Berry, Frank T. Carlton and Andrew M. Tennen; for one year, Harry M. James, John H. Flint, P. J. Scott, B. M. Allen and Alexander Lamont.

Upon motion of John L. Smith it was voted "that the County Commissioners should be informed, it was the sentiment of the people of Andover that they do not want the proposed boulevard, between Lowell and Lawrence through Andover and if constructed believe that the County should bear the expense of which Andover would be called upon to pay only her proportioned share. E. K. Jenkins stated that the expense would be from \$40,000 to \$60,000.

The next regional meeting will be at Reading, April 7. Three hundred and ninety-nine grangers were present at Merrimac.

Card of Thanks

We wish to thank the neighbors and friends who gave to us so freely of their help and sympathy during our recent bereavement in the death of wife and mother.

OBITUARY

ELIZABETH KIMBALL

She is gone and we shall miss her, miss her cheery smile and her quiet optimistic view of life as she chatted with one and another of her daily associates, miss her as a neighbor and as a friend and as a worker for the good of the community. Quietly she came on Thursday afternoon, March 1, and in a short time she had gone.

Mrs. Kimball was born in Dennistown, Maine, sixty-eight years ago and has lived in Andover a large part of her life. She is survived by her husband, Albert; daughter, Alice Florence; one sister, Mrs. F. K. Martin of Haverhill; three brothers, Thomas Robinson of Gilboa, Nebraska; Alexander Robinson of West Boylston; and Robert F. Robinson of Roxford.

The funeral was held Sunday at two-thirty o'clock from her late residence on Lowell road. Rev. Newman Matthews officiated assisted by Rev. Frederick A. Wilson. Mrs. Walter Pike sang by request, two favorite hymns of Mrs. Kimball's. Burial was in West Parish cemetery. The flowers were many and very beautiful. The following tribute was written by a life-long friend, Ellen A. Call of Methuen.

The Angel of Death, that soon or late Calls at each cot and palace-gate, Came to your door but yesterday, And bore a well-beloved away.

Rememberance of her gracious mien, Her kindly soul so often seen, In loving acts of charity, Will linger in your memory.

And though you mourn and grieve to-day, Time's soothing hand will smooth away The sharpest pangs of bitter weal;— It must be best to have it so.

Because our Heavenly Father's will Is just, and true, and righteous still, And so, with resignation met, We place in God our faithful trust.

That all His ways are for the best, And in this faith we still must rest, That though life's journey oft is sad, It yet will end with glory clad.

ELLEN A. CALL
Methuen, Mass.

Rehearsals Held for Fraternal and K. of C. Minstrel Shows

The first rehearsal for the Fraternal minstrel show was held Sunday afternoon in the hall. The ways and means committee of the Fraternal building association is in charge of the arrangements and a fine performance is promised. The show will be staged in the town hall shortly after Easter.

David Wallace is directing the cast and James Riley is in charge of the end men. The cast will rehearse next Sunday afternoon at two o'clock.

The first rehearsal was held Sunday afternoon for the annual Knights of Columbus minstrel show which is to be presented this year in the town hall Wednesday evening April 18. John P. Alexander, who directed several previous K. C. minstrel shows as well as plays is director.

WEST PARISH

The Lafalot club met at the home of Miss Dora Ward, Lowell road on Tuesday evening.

Essex Pomona will meet with Salisbury Grange, April 5, at half past ten in the morning.

The Christian Endeavor society will meet with Miss Grace Lovejoy, Lovejoy road on Sunday evening.

Mr. and Mrs. Hervey Northey have moved from Balmoral street to one of the Wild Rose farm houses.

The members of the Merrill Chapter, X. B. K., were guests of the Grenfell Chapter at the Free church on Tuesday evening.

Eunice Freivald and Evelyn Stott have perfect attendance records for the first half of the school year at the Homemaking school.

The Ladies' Aid society met with Mrs. Herbert Merrick, Lowell road, on Wednesday afternoon. Plans for the spring work were made.

The R. P. C. Girls' club met with Miss Winona Boutwell, Shawshen road on Monday evening. Plans were made for the play which the club is to give in the near future.

The Ladies' Aid society of the West church will hold two card parties in Grange hall, Wednesday, March 21, one in the afternoon and one in the evening. The proceeds are for the vestry fund.

Andover Grange will meet on Tuesday evening. The lecture hour will be in the men officers' hands and they will put on a stunt entertainment. Names for the April class should be in at this meeting.

Adolph Goyette who recently was in the employ of M. M. Converse, has entered the employ of J. Walter McKenna, Clover Farm, Lowell road. Mr. Goyette has moved his family to Clover Farm and will begin his duties at once.

The Middlesex-Essex Past Masters' Association of forty members will give a Minstrel Show in Grange Hall, Friday evening, March 30. Tickets may be obtained from the members of the committee in charge, Mrs. George L. Averill, Shawshen road; Mrs. Ira B. Hill, Lupin road; and Miss Emma Batchelder, Argilla road.

Next week, Wednesday, is Farmers' Day for all Essex County farmers, their families and friends. A full program is planned for both ladies and gentlemen. Special exhibits will be shown in both the Home-making, and Boys' buildings. Conferences on live topics will be held in different parts of the buildings; in short, a red-letter day is scheduled. Plan to be there.

Eighteen little friends of Virginia G. Stevens, High Plain road, gathered at her home on Tuesday afternoon to help her celebrate her fourth birthday anniversary. Games were played and thoroughly enjoyed by all. Little Misses Connie Cole and Marilyn Lewis were prize-winners in the games. Refreshments were served. The hostess received many birthday remembrances.

William Rennie, Misses Lizzie and Janet Rennie, between Lowell and Lawrence through Andover and if constructed believe that the County should bear the expense of which Andover would be called upon to pay only her proportioned share. E. K. Jenkins stated that the expense would be from \$40,000 to \$60,000.

The next regional meeting will be at Reading, April 7. Three hundred and ninety-nine grangers were present at Merrimac.

BALLARDVALE

Gordon Clark of Manchester visited here recently.

Mrs. B. F. Stafford is ill at a hospital in Somerville.

Barbara Parker is recovering from a severe attack of the grip.

Miss Frances Benson entertained friends from North Andover Sunday.

Mr. and Mrs. Thomas Hilton of Walpole were recent visitors in the Vale.

Miss Susan Nichols has returned after spending several weeks in Maine.

A food demonstration was held Wednesday at the home of Mrs. Ernest Rollins.

Mr. and Mrs. Edwin W. Brown and children spent Sunday visiting in Melrose Highlands.

Mrs. Clarence W. Martle of Everett was the week-end guest of Mrs. B. F. Hatch, High street.

Mr. and Mrs. Clyde Mears and family were guests of Mr. and Mrs. Nathan Mears, Center street, Sunday.

Earl Moody, an instructor in Boston University, was a guest at the home of Rev. and Mrs. George F. Moody, Sunday.

Steven Byington was the speaker at the Massachusetts Society of Bee-keepers' meeting held in the State House recently.

Mr. and Mrs. Walter Trautman and son spent Sunday visiting at the home of Mr. and Mrs. William Trautman of River street.

The houses and land owned by the Ballardvale Mills and located on Dale avenue have been purchased by Mr. Stone of Jamaica Plain.

The S. G. club met Monday evening at the home of Miss Ruth Davis. Business was transacted and a social follow-up. Refreshments were served by the hostess.

The Faeta Club of which Mrs. B. F. Hatch is a member enjoyed the picture "Old Ironsides," at the Empire theatre Friday afternoon after which they visited Moore's bakery and inspected the plant.

Mothers' Club to Give Elaborate Entertainment

On March 17 at seven o'clock the Bradlee Mothers' Club will hold a banquet in the Community room.

Each member is entitled to invite her husband and two other guests and Mrs. Edwin Brown urges the members to send the names of their guests and the money to her not later than March 12. A musical comedy entitled "Indian Days" will be presented after the banquet.

Dancing will follow and music will be furnished by the Milville orchestra of Lawrence.

Harry C. Foster of North Andover will be caterer for the banquet.

Wedding

PAUL—SCHULTZE

Saturday noon at half past twelve Miss Gladys Paul of Andover street was united in marriage to Carl Schultze of Shawshen Village by Rev. Alfred C. Church of the Free church. They were attended by Carlton Schultze and Edith Moss. After a wedding trip to New York they will reside in Shawshen Village.

Willing Workers Meet

The monthly meeting of the Willing Workers society of the Methodist church was held Monday evening in the vestry with President J. L. White presiding. Prayer was offered by the pastor, Mrs. George R. Moody read the secretary's report and Mrs. J. L. White read the treasurer's report. Mrs. Prudence Brown, chairman of the sick and membership committee also gave a report. The time stockings were collected and calendars distributed to those present.

A social hour followed and refreshments were served by the social committee.

Award Whist Prizes

The entertainment and banquet committee of the Bradlee Mothers' club held a successful whist party on Tuesday evening.

The prize winners were as follows: Ladies—Water glasses, Mrs. Nelson Townsend; candy dish, Mrs. Noble; apron, Edith Moss; preserves, Mrs. Higgins; tea, Mrs. James Schofield; consolation, Mrs. William Matthews.

Men—Work basket, Walter Noble; preserves, Mrs. Shattuck; fruit salad, Norman Kibbee; socks John Lawrie; consolation, E. W. Brown.

Bradlee Mothers' Club Meets

The regular monthly meeting of the Bradlee Mothers' club was held in the Kindergarten room Thursday afternoon at 2.30 o'clock. Miss Munroe, a teacher from the Wheelock Training School of Kindergarten work was the guest of the club.

Mrs. Samuel Moody was chairman of the refreshment committee.

A meeting for the mothers was held on Tuesday afternoon at which time plans were discussed for a Kindergarten for the children of pre-school age. Mrs. Ernest Rollins, chairman, presided.

Marriage

March 3, 1928, at 67 Central street by Rev. Alfred C. Church, Carl Arthur Schultze and Gladys Isabel Paul both of Andover.

SUPERIOR COURT, In Equity.

No. 3812-3-4
February 20, 1928.
Charles A. Hill, Arthur N. Comeau and M. T. Walsh, all of Andover, in the County of Essex, Plaintiffs, against Theodore S. Michalopoulos and George Andrianopoulos and Athan J. Costarakis, all of parts unknown, and another, defendants.

These are bills of complaint to set aside personal property mortgages executed and delivered by the defendants Michalopoulos, Andrianopoulos and Costarakis to the defendant Photos, dated November 11, 1927, and recorded in the office of the Clerk in the Town of Andover, Book 8, Page 296.

The plaintiffs are informed and believe and therefore aver that the said mortgages were given without consideration with intent to defraud the plaintiffs of the sum then owing to said plaintiffs, to wit: Arthur N. Comeau, one hundred seventy-eight and 28-100 dollars; M. T. Walsh, four hundred thirteen and 10-100 dollars and Charles A. Hill, three hundred thirty-one and 99-100 dollars for labor performed and materials furnished by the plaintiffs for the defendants and at the request of said defendants.

Now it appearing that said defendants, Theodore S. Michalopoulos, George Andrianopoulos and Athan J. Costarakis, reside out of this Commonwealth and of parts unknown, it is ORDERED, That notice be given to said defendants to appear and answer the plaintiffs' bills within six months from the first Monday of March, next, by causing them to be served with an attested copy of this order, as soon as may be, or by publishing such copy in the Andover Townsman, a newspaper printed in Andover, in our County of Essex, three times in different weeks, within thirty days from the date hereof, the last publication to be fourteen days at least before the time of appearance.

Attest:—
A. N. FROST, Clerk
The foregoing is a true copy of order.
Attest:—
HOLLIS L. CAMERON, Assn. Clerk

Concerning Board of Survey

Article 16 in the warrant for the coming Town meeting reads "To see if the Town will vote to accept the provisions of Chapter 41, Sections 73-81 of the General Laws relating to a Board of Survey." The adoption of such a law would give to the Board of Survey and define conditions which must be complied with before a new street can be accepted. In a town like Andover, the Board of Selectmen would act as a Board of Survey.

The sections from the General Laws are given below:

Section 73.—In towns which accept this section or have accepted corresponding provisions of earlier laws, the Selectmen shall constitute a Board of Survey.

Section 74.—After the establishment of a board of survey, no person shall open a private way for public use without first submitting to said board suitable plans thereof in accordance with such rules and regulations as the board may prescribe. In cities such plans shall be so prepared as to show the profiles of such way and the method of drainage of the adjacent or contiguous territory. Upon the receipt of said plans, with a petition for their approval, the board shall give a public hearing, after giving notice of the same by publication once in each of two successive weeks in a newspaper published in the city or town, the last publication to be at least two weeks before the hearing; and after the hearing, the board may alter such plans, and may determine where such ways shall be located and the width and grades thereof, and shall indicate any modifications on said plans. The plans as approved or modified by the board shall then be signed by the board and in cities shall be filed in the office of the city engineer, and in towns in the office of the town clerk, and the officer with whom they are filed shall attest thereon the date of filing; and thereafter no way in the territory to which the plans relate shall be laid out or constructed except in accordance therewith, or with further plans subsequently approved by the board.

Section 75.—The board of survey may, and in cities, upon the vote of the planning board and the city council, shall from time to time cause plans to be made of such territory or sections of land in the city or town as the board of survey or the planning board may deem necessary, showing thereon the location of such ways, whether already laid out or not, as, in the opinion of the board, the interest of the public may require in such territory, showing clearly the direction, width and grades of each way, and in cities a plan of drainage, and said board may incur such expenses as it may deem necessary therefor, not exceeding the amount appropriated for the purpose. In cities such plans shall be prepared by the city engineer, under the direction of the board. Before causing such plans to be made, the board shall give a public hearing thereon, which shall be advertised in the manner prescribed in the preceding section, and shall after the making of any such plan, give a hearing thereon, advertised in like manner, and keep the plan open to public inspection for one month after the first advertisement of the hearing. After the hearing and, after any alterations deemed necessary by said board have been made, the same shall be approved. Signed, marked, filed and attested as provided in respect to the plans mentioned in the preceding section.

Section 76.—In cities the board of survey may from time to time make new plans in place of plans filed in accordance with the two preceding sections, or make changes on plans so filed, provided, that any action involving new plans or changes in plans already duly attested and filed shall be made only after the notice and hearing, and in all other respects in the manner specified in section seventy-four; and the last plan so made, or the plan with the changes last made thereon and duly attested and filed, shall be the plan governing the future development of the territory affected.

Section 77.—The powers of the city council or of the selectmen in regard to highways shall not be abridged by sections seventy-three to eighty-one, inclusive, in any manner, except as provided herein, and the powers conferred by said sections shall be in addition to other powers possessed by cities and towns. No public way shown on any plan filed as aforesaid shall hereafter be laid out, located anew, altered or widened, or no such way, whether already or hereafter laid out, shall be constructed by the public authority except in accordance with the plan duly attested and recorded under said section. If any person shall open for public travel any private way the location, direction, width, grades and plan of drainage of which have not previously been approved in writing by the board of survey in the manner provided in said sections, neither the city or town nor other public authority shall place any public sewer, drain water pipe or light in, or do any public construction work of any kind, or make repairs, on such private way; provided, that this section shall not prevent the laying of a trunk sewer, drain, water or gas main if required by engineering necessities for the accommodation of other territory.

Section 78.—No register of deeds shall record any plan showing thereon proposed ways in any town having a board of survey, unless there is endorsed thereon, a certificate of said board, or other proper officer by it designated, that all laws applicable to such plan have been complied with. The clerk of each town shall notify the register of deeds of the district where such town is situated of the acceptance by such town of sections seventy-three or corresponding provisions of earlier laws, or of any special act establishing a board of survey therein, and also the name of the officer designated by said board to approve plans hereunder.

TOWN OF ANDOVER

Office of COLLECTOR OF TAXES

Andover, Mass., March 9, 1928
The owners and occupants of the following described parcel of real estate situated in the Town of Andover, in the County of Essex and Commonwealth of Massachusetts, are hereby notified that the taxes severally assessed for the years heretofore specified, according to the list committed to me as Collector of Taxes for said Andover by the assessors of taxes, remain unpaid, and that the smallest undivided part of said land sufficient to satisfy said taxes, with interest and all legal costs and charges, or the whole of the land situated within boundary of the town of Andover, if no person offers to take an undivided part thereof, will be offered for sale by public auction at the Collector's Office, Town House, in said Andover, on Saturday, March 31, 1928, at 10 o'clock A.M., for the payment of said taxes with interest, costs, and charges thereon, unless the same shall be previously discharged.

WILLIAM B. CHEEVER
Frank J. and Lydia M. Richards—Lot of land containing about 8000 square feet situate off Corbett Street, Andover, Mass., numbered twenty-three (23) and twenty-five (25) on plan of Topping Terrace, Andover, Mass., and abutting thereon as follows: southeast corner of land to southwest corner land now of said Salois; thence running Northerly by said land of said Salois, thence turning and running easterly by lot numbered twenty-two (22) and twenty-four (24) as shown on said plan thence turning and running southerly by lot number twenty-seven (27) to a point on Topping Road, so called; thence turning and running Easterly by said Topping Road, as shown on said plan.
Tax for the year 1926 \$2.88
Tax for the year 1927 2.55

Commonwealth of Massachusetts
PROBATE COURT

ESSEX, SS.
To the Honorable the Judges of the Probate Court in and for the County of Essex:

Respectfully I believe and represents Lilly N. Ryder of Andover in said County, that she is lawfully married to Everett F. Ryder, now of Hartford in the State of Connecticut at Mattapoisett in our County of Plymouth on the twentieth day of September A.D. 1916, and thereafter your libellant and the said libellee lived together as husband and wife in the Commonwealth of Massachusetts.

And said libellant, by publishing this citation once in each week, for three successive weeks, in the Andover Townsman a newspaper published in Andover the last publication to be one day, at least, before said Court, and by mailing, post-paid, or delivering a copy of this citation to all known persons interested in the estate, seven days at least before said Court.

Witness, HARRY R. DOW, Esquire, Judge of said Court, this fifth day of March in the year one thousand nine hundred and twenty-eight.
HORACE H. ATHERTON, Jr., Register.
Eaton & Chandler, Attys.
301 Essex Street, Lawrence, Mass.

Commonwealth of Massachusetts
PROBATE COURT

ESSEX, SS.
To the heirs-at-law, next of kin, and all other persons interested in the estate of Lucy M. Buxton late of Andover in said County, deceased.

WHEREAS, a certain instrument purporting to be the last will and testament of said deceased has been presented to said Court for probate, by Ira Buxton who prays that letters testamentary may be issued to him the executor therein named, without giving a surety on his official bond.

You are hereby cited to appear at a Probate Court, to be held at Lawrence in said County of Essex, on the twelfth day of March A.D. 1928, at ten o'clock in the forenoon, to show cause, if any you have, why the same should not be granted.

And said petitioner is hereby directed to give public notice thereof, by publishing this citation once in each week, for three successive weeks, in the Andover Townsman a newspaper published in Andover the last publication to be one day, at least, before said Court, and by mailing, post-paid, or delivering a copy of this citation to all known persons interested in the estate, seven days at least before said Court.

Witness, HARRY R. DOW, Esquire, Judge of said Court, this twentieth day of February in the year one thousand nine hundred and twenty-eight.
HORACE H. ATHERTON, Jr., Register.

the direction of the board. Before causing such plans to be made, the board shall give a public hearing thereon, which shall be advertised in the manner prescribed in the preceding section, and shall after the making of any such plan, give a hearing thereon, advertised in like manner, and keep the plan open to public inspection for one month after the first advertisement of the hearing. After the hearing and, after any alterations deemed necessary by said board have been made, the same shall be approved. Signed, marked, filed and attested as provided in respect to the plans mentioned in the preceding section.

Section 76.—In cities the board of survey may from time to time make new plans in place of plans filed in accordance with the two preceding sections, or make changes on plans so filed, provided, that any action involving new plans or changes in plans already duly attested and filed shall be made only after the notice and hearing, and in all other respects in the manner specified in section seventy-four; and the last plan so made, or the plan with the changes last made thereon and duly attested and filed, shall be the plan governing the future development of the territory affected.

Section 77.—The powers of the city council or of the selectmen in regard to highways shall not be abridged by sections seventy-three to eighty-one, inclusive, in any manner, except as provided herein, and the powers conferred by said sections shall be in addition to other powers possessed by cities and towns. No public way shown on any plan filed as aforesaid shall hereafter be laid out, located anew, altered or widened, or no such way, whether already or hereafter laid out, shall be constructed by the public authority except in accordance with the plan duly attested and recorded under said section. If any person shall open for public travel any private way the location, direction, width, grades and plan of drainage of which have not previously been approved in writing by the board of survey in the manner provided in said sections, neither the city or town nor other public authority shall place any public sewer, drain water pipe or light in, or do any public construction work of any kind, or make repairs, on such private way; provided, that this section shall not prevent the laying of a trunk sewer, drain, water or gas main if required by engineering necessities for the accommodation of other territory.

Section 78.—No register of deeds shall record any plan showing thereon proposed ways in any town having a board of survey, unless there is endorsed thereon, a certificate of said board, or other proper officer by it designated, that all laws applicable to such plan have been complied with. The clerk of each town shall notify the register of deeds of the district where such town is situated of the acceptance by such town of sections seventy-three or corresponding provisions of earlier laws, or of any special act establishing a board of survey therein, and also the name of the officer designated by said board to approve plans hereunder.

Section 79.—Boards of survey, their officers and agents may, so far as they deem it necessary in carrying out sections seventy-three to eighty-one, inclusive, enter upon any lands and there make examinations and surveys, and place and maintain monuments and marks.

Section 80.—A town which accepts section seventy-three or has accepted corresponding provisions of earlier laws or has accepted any special act authorizing the creation of a board of survey, thereon, may establish, in the manner provided for laying out of ways, the extension or laying of any way, the plan of which is approved under section seventy-four or seventy-five or under such special act; and thereafter no structure shall be erected or maintained between the exterior lines of the way so established, except that buildings or parts of buildings existing at the time of the establishment of said lines may remain and be maintained to such extent and under such conditions as may be prescribed by the board of survey of said town. Lines established under this section may be discontinued in the manner provided for the discontinuance of a highway or a town way. This section shall not apply to cities.

Section 81.—Section seventy-three to seventy-nine inclusive, shall not authorize a town to lay out or construct any way which may be indicated on any plan under such way has been laid out as a highway; nor shall said section render a town liable for damages except such as may be sustained under section seventy-six by reason of the making and filing of any new plan or by reason of changes made in any plan already duly attested and filed, and for such damages as may be sustained by reason of the acts of the board of survey, its officers and agents under section seventy-nine. Any person injured in his property as aforesaid or by the establishment or discontinuance of exterior lines under section eighty may recover the damages so caused under chapter seventy-nine.

Injured at Tye Rubber Factory

With the muscles in his right forearm badly cut and torn, Claude Miner, 29, of 11 Maple avenue, was taken from the Tye Rubber company shortly after 7:30 o'clock Monday to the General hospital where he is now under the care of physicians.

Miner was hurt while using machinery in the mill room of the rubber plant. He was treated by Dr. W. D. Walker who ordered the injured man moved to the hospital in the Andover ambulance.

Guid Notes

One of the most enjoyable affairs given at the Guild this year was the annual guided meeting held by the Mother's Club on Wednesday afternoon. Besides the regular club members there were a number of outsiders including representatives from the Bradlee Mother's Club and the Shawheen Parent-Teacher Association. Dr. Helen I. McGillicuddy of the Massachusetts Department of Health was the speaker. She gave a very interesting and instructive talk on home-making, emphasizing the influence of a happy home environment on the character-building of children. Several solos were sung by Mrs. Angie Miller accompanied by Miss Valentine, and instrumental music was furnished by the Stowe orchestra, with Miss Grace Hatch as concert soloist. Following the program dainty refreshments were served from an attractive table, gay with St. Patrick emblems.

The first "weenie roast" of the season was conducted by John Schermer, Wednesday afternoon for his class, B-Junior Boys. Notwithstanding the unfavorable weather the boys reported a splendid time and several signs of approaching spring. A similar outing will be conducted for the A-Junior Boys on March 16th.

On Monday evening two basketball games were played at the Guild with teams from Lawrence. The Guild Midgets versus the Torch Club of the Y.M.C.A., and the Guild Seniors against the team of the Advent Church. Both games were won by the Guild boys, the junior score being 32 to 6, and the senior score 24 to 13. On Tuesday evening the Guild Midgets played in Lawrence against the Grace Church Midgets. Again the Guild boys made the winning score of 22 to 7.

Tuesday evening Mrs. Josephine Greaves of Lawrence organized a number of bowling teams within the Business and Professional Woman's Club. Mrs. Greaves has for several weeks coached the players in bowling and will conduct a bowling league within this organization.

Thursday afternoon the Pynchard basketball girls played Woodbury in the Guild gymnasium. No admission charge was made

and many young people assembled to root for the local girls. The score was 18 to 15 in favor of the visitors.

The Women's Committee of the Guild will conduct a food sale at Cross Coal Office on Friday, March 16th. The sale will begin at 2 o'clock and will be in charge of Mrs. Henry F. Perkins. Friends of the Guild wishing to contribute food should communicate with her.

Salary Increases

The question of salary increases for public servants occupies a very prominent place in Municipal and State problems. Andover has had her "Salary Commission" make recommendations to be passed on at Town meeting next Monday, and if the difference of opinion heard on all sides is true indication, it is expected that there will be a bitter discussion of the articles.

The recent culmination of Mr. Goodwin's services as Registrar of Motor Vehicles brings to mind his long and bitter fight for increased salaries for State employees. This case perhaps received more publicity than any similar case in memory, but the problem of establishing a fair proportionment of salaries has come up in many branches of public service. The Boston Herald, for March 5, has an interesting editorial entitled "Those Salary Increases." This situation seems to fit the case of Andover exactly, and with this thought in mind it is reprinted here.

The newspapers of Saturday said that the proposed increase of firemen's and policemen's salaries has caused dissatisfaction among other public servants. Naturally, if the salaries of 99 per cent of the members of any organization, public or private, were raised, the remaining 1 per cent would inquire: "Why this rank discrimination?"

Mutually antagonistic wives and husbands can always agree on one thing: that Friend Husband is un-

derpaid. Brother A, who is elbow mate of Brother B, and draws the same salary, has a fixed idea on the identity of the one who should get more than the other, and Brother B is also firm in his belief on the subject. If Mayor Nichols will show an employer how to satisfy some men by raising or increasing their pay, and, at the same time, not dissatisfy those who worry along at the old rate, he will go down into municipal and industrial history as a wizard. If he should increase all salaries, he would be blamed for not making the increase larger.

That god whom Bobbie Burns invoked for a gift which would let us see ourselves as others see us has never acknowledged receipt of the communication.

Editorial Cinder

Townsmen readers who are interested in the Zoning By-Laws will find a plan of the proposed restrictions on Page 6 of this issue. This affords a splendid opportunity for everyone to study the layout and learn just how much this means to Andover. The plan is very plainly marked and cross-sectioned to show the allotted area for each district. The Townsmen urges its readers to take advantage of this opportunity, and have a complete understanding of the situation when the article comes up for discussion at Town meeting, Monday.

New England Earthquakes

The Atlantic seaboard has experienced three hundred fifty earthquakes since the Pilgrim Fathers landed in 1620 and the probability is that it will continue to experience them spasmodically, according to statements made by Professor Kirtley F. Mather, chairman of the Department of Geology and Geography at Harvard University when he spoke on "New England Earthquakes; Yesterday, Today, and Tomorrow" at a meeting of the November club held Monday afternoon.

The lecture was illustrated by lantern slides showing the effect of earthquakes in San Francisco, Charleston, and Yokohama. The delicate instrument used to record quakes, and the records and maps used in reckoning the center, area and violence of the shocks. Although the lecture was somewhat technical, Professor Mather is so lucid and enthusiastic a speaker that the audience followed him with interest.

It was not until the earthquake at Charleston South Carolina in 1886 that the study of the effect of earthquakes was begun and not until the San Francisco earthquake in 1906, that the scientific study of their causes and means of protection against their devastation was undertaken. The lecturer showed pictures of buildings where the cross beams were carelessly tied into the wall structure resulting in collapse during the same quake which left a skyscraper, constructed as a solid unit, quite intact. He recommended more stringent building laws.

In conclusion Professor Mather facetiously remarked that residents of this vicinity need not reasonably expect an earthquake every twenty or thirty years as a natural phenomenon yet they need not be feared if one profited by the investigation of geologists and scientists. By restraining the impulse to run out doors, where there may be danger from falling bricks, and standing near an inner wall one may be quite safe, and by preserving presence of mind enough to examine a wrist watch and record the exact hour may contribute data to aid the researchers of the scientists.

At the short business meeting which preceded the lecture it was announced that \$417 was realized at the recent card party given for local relief and that \$50 had been contributed to the fund to preserve the forest in Franconia Notch.

The department of music will meet at 48 Central street on Tuesday afternoon, March 13, at 3.15 o'clock.

The department of literature will meet with Mrs. Horace H. Tyler on Wednesday afternoon March 14, at half past three. The department of drama is meeting with Mrs. John T. Lord this afternoon at three o'clock.

The department of civics will meet at the clubhouse on Friday afternoon, March 16, at three o'clock. Business of importance is to be transacted and every member is urged to be present.

Fire in Assembly Hall at Square and Compass Club

A blaze in the rear wall of the assembly hall of the Square and Compass club, believed to have started from the heater, interrupted the dancing lesson being conducted there by Mrs. Edward Nichols on Wednesday afternoon.

The children of the kindergarten class were being dismissed as the next class arrived. They had just time to don their outer wraps before the room filled with smoke.

The fire which had worked up into the partition was extinguished by chemicals. The damage was estimated at about \$135.

Field Secretary of Piedmont College to Speak at South Church

Some of our Andover people are specially interested in Piedmont College of Demorest Georgia, where Miss Edith Valpey and Miss Evelyn Hardy are at work. The chairman of the board of trustees is Dr. Frank R. Shinn.

The Field Secretary, Rev. Andrew T. Osborn is to occupy the pulpit of the South Church on Sunday morning March 11th. He is a vigorous speaker and will take for his theme "Spirit, the Essence of Reality."

To Give Lecture on Mechanical Engineering

This evening at George Washington hall, Professor Sumner B. Elly will lecture on "Engineering as a Profession." He is professor of mechanical engineering at Carnegie Tech and also secretary of the Second International Conference on Bituminous Coal. All who are interested are invited to attend.

Radcliffe Choral Society Visits Abbot

One of the most entertaining concerts of the season was given by the Radcliffe Choral Society of Radcliffe College, Cambridge. In some respects it was superior to the concert it gave at Abbot last year. Dr. Archibald T. Davison conducted with superb efficiency and spirit.

Probably the most conspicuous feature of the work of this organization is its highly developed mechanics. The singers respond instantly to the slightest signal from the conductor and their release is practically perfect. A wide range of dynamics is numbered among its accomplishments, as is also very good diction. Tonally they leave something to be desired.

The Society was assisted by Mr. Howard Atwater, tenor. He sang with a certain lyric quality that was pleasant, and his work added variety to the program.

Undoubtedly the feature of the concert was the conducting of Dr. Davison. A group of singers must inevitably sing intelligently under his leadership.

The program:

Responsorium	Tommaso La da Vittoria (1540-1613)
Confitemini Domino	Alessandro Costantini (1600-1660)
Two Choruses from "Requiem"	Gabriel Faure (1845-1924)

Agnus Dei—Soloist, Miss Nancy Loring	In Paradiso—Soloist, Miss Mary Denison
O Dei Mio Amato Ben—Sofiano Donandy (1879-1900)	Peter Warlock (1894-1924)

Sleep—When from My Love I Looked	John Bartlett (A Book of Ayres, 1606)
Masters in This Hall—Gustav Holst (1874-1934)	Noel of the Bressan Waits—Francoise Durieux

In Dulci Jubilo, Ancient German Carol	Modest Petrovich Moussorgsky (1835-1881)
Soloist, Miss Margaret Dunn	Fireflies—Russian Folk Song

Aye Waukin' o—Scottish Air	The Keel Row—Tyndale Air
Grand Sambahti (1843-1914)	The Lark Now Leaves His Watery Nest

Una Fortiva Lagrima ("Elis' amore)	Gaetano Donizetti (1797-1848)
Chorus of Polovetzian Maidens	(From the opera "Princes Igor")

Soloist, Miss Selma Hurwitz	The Day of the Fair—Old English Tune
The Nightingale—Thomas Weelkes (1575-1623)	Laudate Pueri—F. L. Felix Mendelssohn-Bartholdy (1809-1847)

St. Augustine's Dramatic Club to Present Play Saturday Night

The cast for "Danny Boy" rehearsed again on Thursday evening in the parochial school hall. The play will be staged in the town hall on St. Patrick's night under the auspices of the St. Augustine's Dramatic club. James J. Carney of Lawrence is directing the cast. One of the important parts in this play, that of Professor Mooney will be taken by Frank J. Shiel, Jr. who also had an important part in the recent play, "Stop Thief."

Tickets are now on sale for "Danny Boy" and may be obtained from members of the club.

Expresses Appreciation to Fire Department

The following is a letter of thanks from M. M. Converse, sent to Fire Chief Charles F. Emerson in regard to the recent fire at the Converse farm:

March 5, 1928
Charles F. Emerson,
Chief of Fire Department.
Dear Mr. Emerson—
On the grounds of being better late than never I am very glad to enclose herewith a check for \$100, the proceeds of which should be used by the fire department as seems best. This is a token of my appreciation for good work done at the time of my recent fire in spite of the fact that there was little that could be saved from fire loss.

Yours very truly,
M. M. CONVERSE

Girls' Friendly to Present Plays

The Girls' Friendly society of Christ church will hold its annual play and sale Easter Monday night in the parochial house. The cast for the play is now rehearsing under the direction of Mrs. Walter E. Howe. The play to be presented is "The Butlers."

The Young People's Fellowship will also present two plays after Easter. They are "Converting Bruce" and "The Telegram." Sumner Davis is chairman of the committee in charge of the arrangements.

Punchard High School Notes

At a meeting of the Senior class of Punchard High school held yesterday morning it was decided to have the class pictures taken at John Hanson's Andover studio.

At this meeting the Senior class book committee was appointed, namely: Grace Lovejoy, Grace Parker, Emma Stevens, Doris Manning and Thomas Lynch.

DISCUSS TOWN WARRANT

(Continued from page 1)

manded them. The most necessary change is a provision for added vault room, something which will soon be made an absolute requirement by the Commissioner of Public Records. Mr. Higgins told of the enormous increase in Town business and the accumulation of papers and records for which it is necessary to provide a safe place of storage. In his opinion, there is no prospect of a new Town hall being built within the next decade and the immediate need must be provided for.

Selectman Frank H. Hardy spoke of the condition of the River road for the improvement which Article 5 asks an appropriation of \$5,000 provided a like amount is appropriated by the County and Commonwealth. The speaker said that he expected to attend a hearing on the matter to be held at Salem on Friday and that he felt quite sure that the County stood ready to do its part.

The Zoning Plan

Last year the Town Meeting directed the Planning Board to prepare a plan for zoning, or apportioning the town, so that all citizens might clearly understand the character of the neighborhood in which they might possess or purchase land. The Board has endeavored to preserve, so far as possible, existing conditions, and to provide for the reasonably anticipated growth of the town in an orderly fashion. The plan aims only at the general good of the community. It is not class legislation, but expresses the will of the community to secure a square deal of ground. It makes impossible certain abuses that all good citizens agree to be undesirable, and assures peaceful relations with one's neighbors in all property uses. It is the accepted, modern method by which towns and cities are planning intelligently and fairly for their orderly growth.

The plan lays the Town's cards openly on the table for all to study and understand. There are no hidden purposes to conceal.

A word to explain briefly the character of the different "zones" or districts may be helpful in examining the plan:

1. INDUSTRIAL DISTRICT: This district is open for any manufacturing establishment, except such as are known to be offensive, harmful, or dangerous. A list of such manufacturers are generally agreed upon by any community as obnoxious will be included in the By-Law to be presented at the Town Meeting.

Any residence approved by present building laws may be erected in this district. If in the future more area is needed, it may be readily secured. The plan is not designed to prevent, but to provide for growth.

2. BUSINESS DISTRICTS: These are designed to provide for small industries of an inconspicuous type and for retail trade. No change is proposed in any existing use now according to law. Nothing forbidden in the Industrial District, and nothing occasioning a neighborhood nuisance, such as bad odors, refuse matter, gases, smoke, disturbing noises, etc. may be permitted in these districts.

It is expected that sufficient provision has been made in the Plan for many years of development. Residences may be in this district, also public buildings, banks, hotels, etc.

3. GENERAL RESIDENTIAL DISTRICTS: These are designed to provide for all sorts of residences, apartment houses, hotels, boarding houses, and all structures designed as dwelling places. These sections are open for farming outside the central section. Churches, public buildings, parks, clubs, lodges, community buildings, etc. are permitted and desirable. All in white background on the plan falls within this class.

4. RESTRICTED RESIDENTIAL DISTRICTS: For single family houses, or semi-detached double houses separated by a vertical wall. There is no requirement of cost for any dwelling; the humblest and the most pretentious are on equal footing in their rights and privileges. The districts are for those who wish independent, quiet abiding places. Professional offices, such as those of the surgeon, physician, dentist, artist, musician, lawyer, teacher, and the like may be in these homes. Public buildings, churches, lodges, schools, and parks or playgrounds may be situated in these districts, but business and manufacturing are barred.

5. EDUCATIONAL DISTRICTS: Provision is made for the necessary and proper buildings, such as all kinds of school structures, dormitories, lodging houses, boarding establishments, recreational structures, heating and lighting plants, halls, clubhouses, etc. They are barred from the uses forbidden in the Industrial and the Business areas.

Provision is made for adjustment of lines, and for the presentation of just petitions, through the Board of Appeals to be established by the By-Laws. This will consist of one member from the Planning Board, one member from the Board of Selectmen, one member from the Board of Public Works, and two others, all to be appointed by the Selectmen. This Board of Appeals assures reasonable consideration of any case of practical hardship in the application of the By-Law.

For the Planning Board,
C. H. FORBES, Chairman

Weddings

STONE—SJOSTROM

In the presence of members of the immediate families and close friends, Miss Julia Elizabeth Sjostrom, daughter of Mr. and Mrs. Ivar Ludwig Sjostrom, of North Andover, was married at noon Saturday to Van Zandt Stone, of Cleveland, Ohio, son of Professor and Mrs. Charles Emerson Stone, of Andover. The ceremony was performed by Rev. Raymond Kendrick, rector of St. Paul's Episcopal Church, North Andover. The bride, who was given in marriage by her father, had no attendants. The bride is a graduate of Abbot Academy, in the Class of 1919, and the bridegroom is a graduate of Phillips Andover Academy, Class of 1912. After a short wedding trip, Mr. and Mrs. Stone will reside in Cleveland.

MOSS—CRAMPTON

Miss Lillian Crampton, daughter of Mr. and Mrs. Frank Crampton of Andover street, Ballardvale, became the bride of Irving Moss, son of Mr. and Mrs. James Moss of Andover street, Ballardvale, on Saturday evening, February 25. The ceremony was performed by Rev. E. Victor Bigelow at his home on Locke street. The couple were attended by Mr. and Mrs. John Platt of Ballardvale.

"ALWAYS AT YOUR CALL"

Let Us Help You With Your Spring Cleaning

The season of spring cleaning is about with us again. Many have been sensible enough to keep ahead of the work, so that there is not very much to do, but even they find it necessary to do considerable work to put things to rights again. So let us help you. Gather up all wash rugs, draperies, curtains, linen, etc., and send to us. We will launder them for you at a reasonable price and save you much bother and work.

Phone for our man to call.

Mrs. Roland M. Baker and Miss Isabel Herrick Guests at Child Welfare Conference

A spirited debate on the question of "raising the school age from 14 to 16 years" marked the eighth Child Welfare Conference, held at the home of Miss Amelia Shapleigh on Thursday. The Conference had as its guests, Mrs. Roland M. Baker, State Chairman of the Child Welfare Committee, of the League of Women Voters, and Miss Isabel Herrick, visitor for the Lawrence City Mission.

The discussion centered on whether to place children between 14 and 16, who desire to go to work, in the schools under the present academic system of instruction for all, or to permit the schools have revised their curriculum in such way as to have a place for those who are physically rather than mentally alert.

Mrs. Baker questioned the importance of the I. Q. tests in determining the mental capacity of the child, inasmuch as these tests do not measure character or pay attention to special abilities. Education is surely concerned with these. In England all retarded children must stay in school until the age of 16, thus giving them the greatest possible chance to help themselves.

The question then arose as to the need of families for the earnings of children in industry. Mrs. Baker quoted statistics showing that only 30% of such families actually needed these earnings. Miss Herrick, speaking from her own experience, then showed that in the city of Lawrence, at least, this percent was very much higher, that in fact many families were dependent on the children's earnings.

From the child's standpoint there seems no doubt of his need for those extra two years of education. Only 11% of those beginning work at 14 ever rise to positions worth while. His greatest earning capacity seldom exceeds \$1200. There are no apprenticeships for children under 18, all opportunity rates are closed to them.

The point was raised that many children do not wish to continue in school after 14. Mrs. Baker showed that they are seldom satisfied with their jobs at this age, one boy having had thirty-two jobs by the time he was 16. Industry demands more and more efficiency and dependability from its workers. New York, our leading industrial state, requires children to go to school until 16 and to continuation school until 18. It is only through skilled workmen that a high type of industry can be developed—and a skilled worker must be educated.

The only way New England can compete with the South is to make finer products by using skilled workmen who will buy back the products they make.

It would cost \$114 per child to keep them in school from 14 to 16, but the conclusion arrived at by those attending the conference was that the community which does not is "penny wise and pound foolish." If the schools are not yet ready for them, and in a

good many places they are not, the first step must be the education of the community. In the meantime the question is still open for debate—whether to compel all children between 14 and 16 to attend the schools as they are, or to first compel the school to make adequate provisions for taking care of the child whose physical ability outstrips his mental capacity.

Distinguished Men to Speak at 150th Anniversary

Among the distinguished men who have recently accepted invitations to be present at the 150th anniversary celebration at Phillips Academy are the Honorable Wellington Wells, President of the Massachusetts Senate; the Honorable John C. Hull, Speaker of the House of Representatives; President Samuel W. Stratton, of the Massachusetts Institute of Technology; President Kenneth M. Sills, of Bowdoin College; Dean Charles R. Brown, of the Yale School of Religion; President John A. Coussens of Tufts College; Headmaster Samuel F. Drury, of St. Paul's School; President Clifton B. Gray, of Bates College; the Honorable Andrew J. Peters, former Mayor of Boston; Bishop Charles L. Slattery; Headmaster William G. Thayer, of St. Mark's School; and the Honorable Charles G. Washburn, of Worcester.

Cards of Thanks

The Family of the late Joseph Grant gratefully acknowledge the sympathy extended to them during their recent bereavement.

MR. AND MRS. JAMES GRANT AND FAMILY
I wish to extend my sincere thanks to the voters who gave me their loyal support at the polls Monday.

I also take this occasion to congratulate my successful opponent, Mr. E. B. Thornton.

RALPH T. BERRY

I wish to thank the voters of Andover for their loyal support on election day. The splendid endorsement which I received at the polls was very gratifying to me.

Sincerely,
ANDREW MCTERSEN

I take this occasion to extend my sincere thanks and appreciation to the voters of Andover for the splendid endorsement accorded me at the polls on Monday.

E. BURKE THORNTON,
Tree Warden

TO THE VOTERS OF ANDOVER:

I take this opportunity to thank each and every one who so splendidly supported me at the polls on March 5 in my first attempt to serve the Town of Andover as Auditor.

I wish the incoming officers every success in their undertakings.

Very gratefully yours,
HARRY W. WADMAN

Inter-Church Missionary Rally

The full program of the Women's Missionary Rally, to be held on Thursday, March 15, in the South Church, is now ready for publication. Another speaker has been added since the announcement of last week—Miss Estella Coe, of Tottori, Japan, founder and head of the "Coe House", social service center, and head of the Kindergarten Night School. Miss Coe will appear in costume.

A cordial invitation is extended to all interested in Andover and the neighboring towns to attend this meeting, which will be a most interesting one. There will be special interest in the talk of Mr. Fowle for those who are connected with churches which help toward his support.

It is hoped that many will bring their families and join in the pleasant fellowship of the noon hour. Coffee will be served.

The program follows:

MORNING SESSION

Theme: The Whole Church for the Whole World

10.15 Opening Exercises.

10.25 Conference: News of the Kingdom from Sister Churches.

Free—Not Being Casual.

Ballardvale Congregational—Missionary Education.

Shawsheen—Sunday School Activities.

Christ Church—Young People's Fellowship.

Baptist—Two Leading Workers for World Fellowship in the Baptist Ranks.

West—Work of the Country Church among its People.

Ballardvale Methodist—Mission Circles.

Phillips Chapel—Benevolent Society Are We Benevolent?

South—What Shall We Teach? A Word about Teacher Training.

Abbot Academy—World Friendship.

11.30 "The New Turkey from an American Businessman's Point of View"—Mr. Luther R. Fowle, Constantinople.

12.00 "The Athenians at Home in Boston"—Mrs. Grace C. Tokas, Boston.

12.20 Devotional Service—Miss Florence W. Davis, West Roxbury.

2.00 Musical Interlude.

Theme and Variations, Beethoven "Septet"—Mrs. Ripley, Mrs. Angus.

Serenade, Schubert and Minuet, Bizet—Mrs. White.

Minuet and Scherzo, Beethoven "Septet"—Mrs. Ripley, Mrs. Angus.

"Cov Boys and Girls of the Rockies"—Dr. Alfred Ray Atwood, Weiser, Idaho.

Offering "Social Service in Tottori, Japan"—Miss Estella Coe.

The Latest News from Porto Rico"—Mrs. Manley Albright, Young People's Secretary, Boston.

Junior Sons and Daughters of Revolution Hold Meeting

The Samuel Phillips Chapter of the Junior Sons and Daughters of the Revolution held a regular meeting on Friday with the director Mrs. F. H. Foster.

After joining in the ritual provided for Juniors, the children were taken to the rooms of the Andover Historical society where the regent of the Phoebe Phillips Foxcroft chapter joined them. The remainder of the afternoon was spent in examining the collection and answering the many questions which were asked.

Refreshments were provided and the children enjoyed a pleasant and profitable afternoon.

Births

March 6, at the Lawrence General hospital, a son, to Mr. and Mrs. William P. Morgan of Summer street.

March 5, at the Shawsheen Hospital, a son, to Mr. and Mrs. James Bannan of 74 Byron avenue, Lawrence.

March 6, 1928, at the New England Baptist hospital, a son, to Mr. and Mrs. John Bars of Main street.

There can be no co-operation without understanding. Understanding depends upon friendliness, and friendliness depends upon service. Man's most splendid attainment is an act of unselfishness. Each kind act is an active power that develops music in the hearts of people.

In a spirit of sympathetic helpfulness we tender our professional services.

NORTH ANDOVER

All candidates holding office in town of North Andover were re-elected Monday at the annual election. The interest aroused by the contests for office was indicated in the more than 2000 votes cast between six o'clock Monday morning and seven o'clock Monday night. It was estimated that fully 70 percent of the total registration of 3539 voters cast ballots at the polls.

Harry Ainsworth, member of the board of selectmen, polled the heaviest vote among those contesting for office, his candidacy being endorsed by 1702 votes. John J. Costello, who was elected tax collector at a special election held last spring, was returned to that office by a plurality of more than 700 votes.

Interest was chiefly centered in the fight for positions on the board of selectmen.

Harry C. Foster, Harry Ainsworth and Joseph P. McDonough, all members of the present board, were returned to office.

Willard H. Poor, highway surveyor for the past decade, was re-elected to that position by 1702 votes. Poor polled 1415 votes to 1255 cast for Milnes.

William Somerville was re-elected member of the board of public works, leading his nearest opponent by more than 200 votes.

Although law compels the town to select five constables only three sought office.

According to longtime political observers, the election was one of the quietest in the town's history. Although many votes were cast, the campaign was decidedly lifeless, most candidates confining their activities to "button-holing." However, Town Hall was crowded to capacity Monday night as hundreds awaited the returns.

The results were made known at 9.30 o'clock.

Obituaries

DR. FREDERICK W. KENNEDY

Final tribute was paid Tuesday afternoon to Dr. Frederick W. Kennedy, a well known and prominent figure in Greater Lawrence who passed away Saturday afternoon at the Shawsheen hospital.

Services were conducted at two o'clock in Grace Episcopal church, Lawrence, by Rev. Raymond A. Heron, rector.

While the last rites of the Episcopal church were being rendered the Grace church choir sang several favorite hymns of the deceased.

The body was carried to Forest Hills cemetery, Boston, and placed in the Harris tomb by the side of his wife Georgia (Harris) Kennedy.

The bearers were Maurice Curran, W. A. Trow, John D. Merrill of the Boston Globe, N. H. Melledge of New York and a sister, Mrs. William Jacquith.

The late Dr. Kennedy was a charter member of the Lawrence Board of Health and for many years served faithfully as one of its members. He was also one of the leaders and organizers of the Chadwick club together with the late Charles G. Saunders.

He was born in Londonderry, N. H., sixty-nine years ago and for many years was a resident of Lawrence. In addition to his holding membership in many medical societies, local and national, Dr. Kennedy was also a member of the Home club of this city. For the past twenty years he has been a resident of Andover, residing recently on Maple avenue. While a resident of Lawrence he made his home on Jackson street.

He was a graduate of Lawrence High school, Harvard college and Carleton college, Minnesota.

To mourn his loss he leaves a son, George H. Kennedy of New York and a sister, Mrs. J. H. Melledge of Londonderry, N. H.

Many beautiful floral tributes were received.

MRS. MARY ELLEN TODD

The many friends of Mrs. Mary Ellen Todd who suffered a broken hip by a fall on February 17th, are deeply saddened by its fatal result on March 5th in the Lawrence General hospital.

She was born in Topsfield on January 27th, 1845, but her early years were passed in Boxford to which place her parents, John K. and Mary Towne Cole moved soon after her birth. Their four children, Jefferson K. Abby (Mrs. Gage), and John Newton, were all at one time associated with Andover and passed away before Mrs. Todd.

Her marriage to William G. Todd blessed her with four children of whom two sons died in early manhood.

About 1901 she moved to Andover which has ever since remained her home.

One could not be long with her without feeling the influence of her gentle, refined nature, her friendliness and Christian spirit.

She found many sources of joy in her domestic duties, love of reading and of companionship.

Her strong religious life was founded on deep convictions of its power to bless her life. It gave her courage in meeting trials, comfort in time of bereavement, peace amid the cares and worries of life, and triumphant hope as the sable angel came with his summons to the higher life.

She will be greatly missed but her memory is loved and honored.

Two children, Miss Edna Todd who shared the home life in Andover with her son, Frederick G. Todd, a landscape gardener in Montreal, Canada, and two grandchildren survive her.

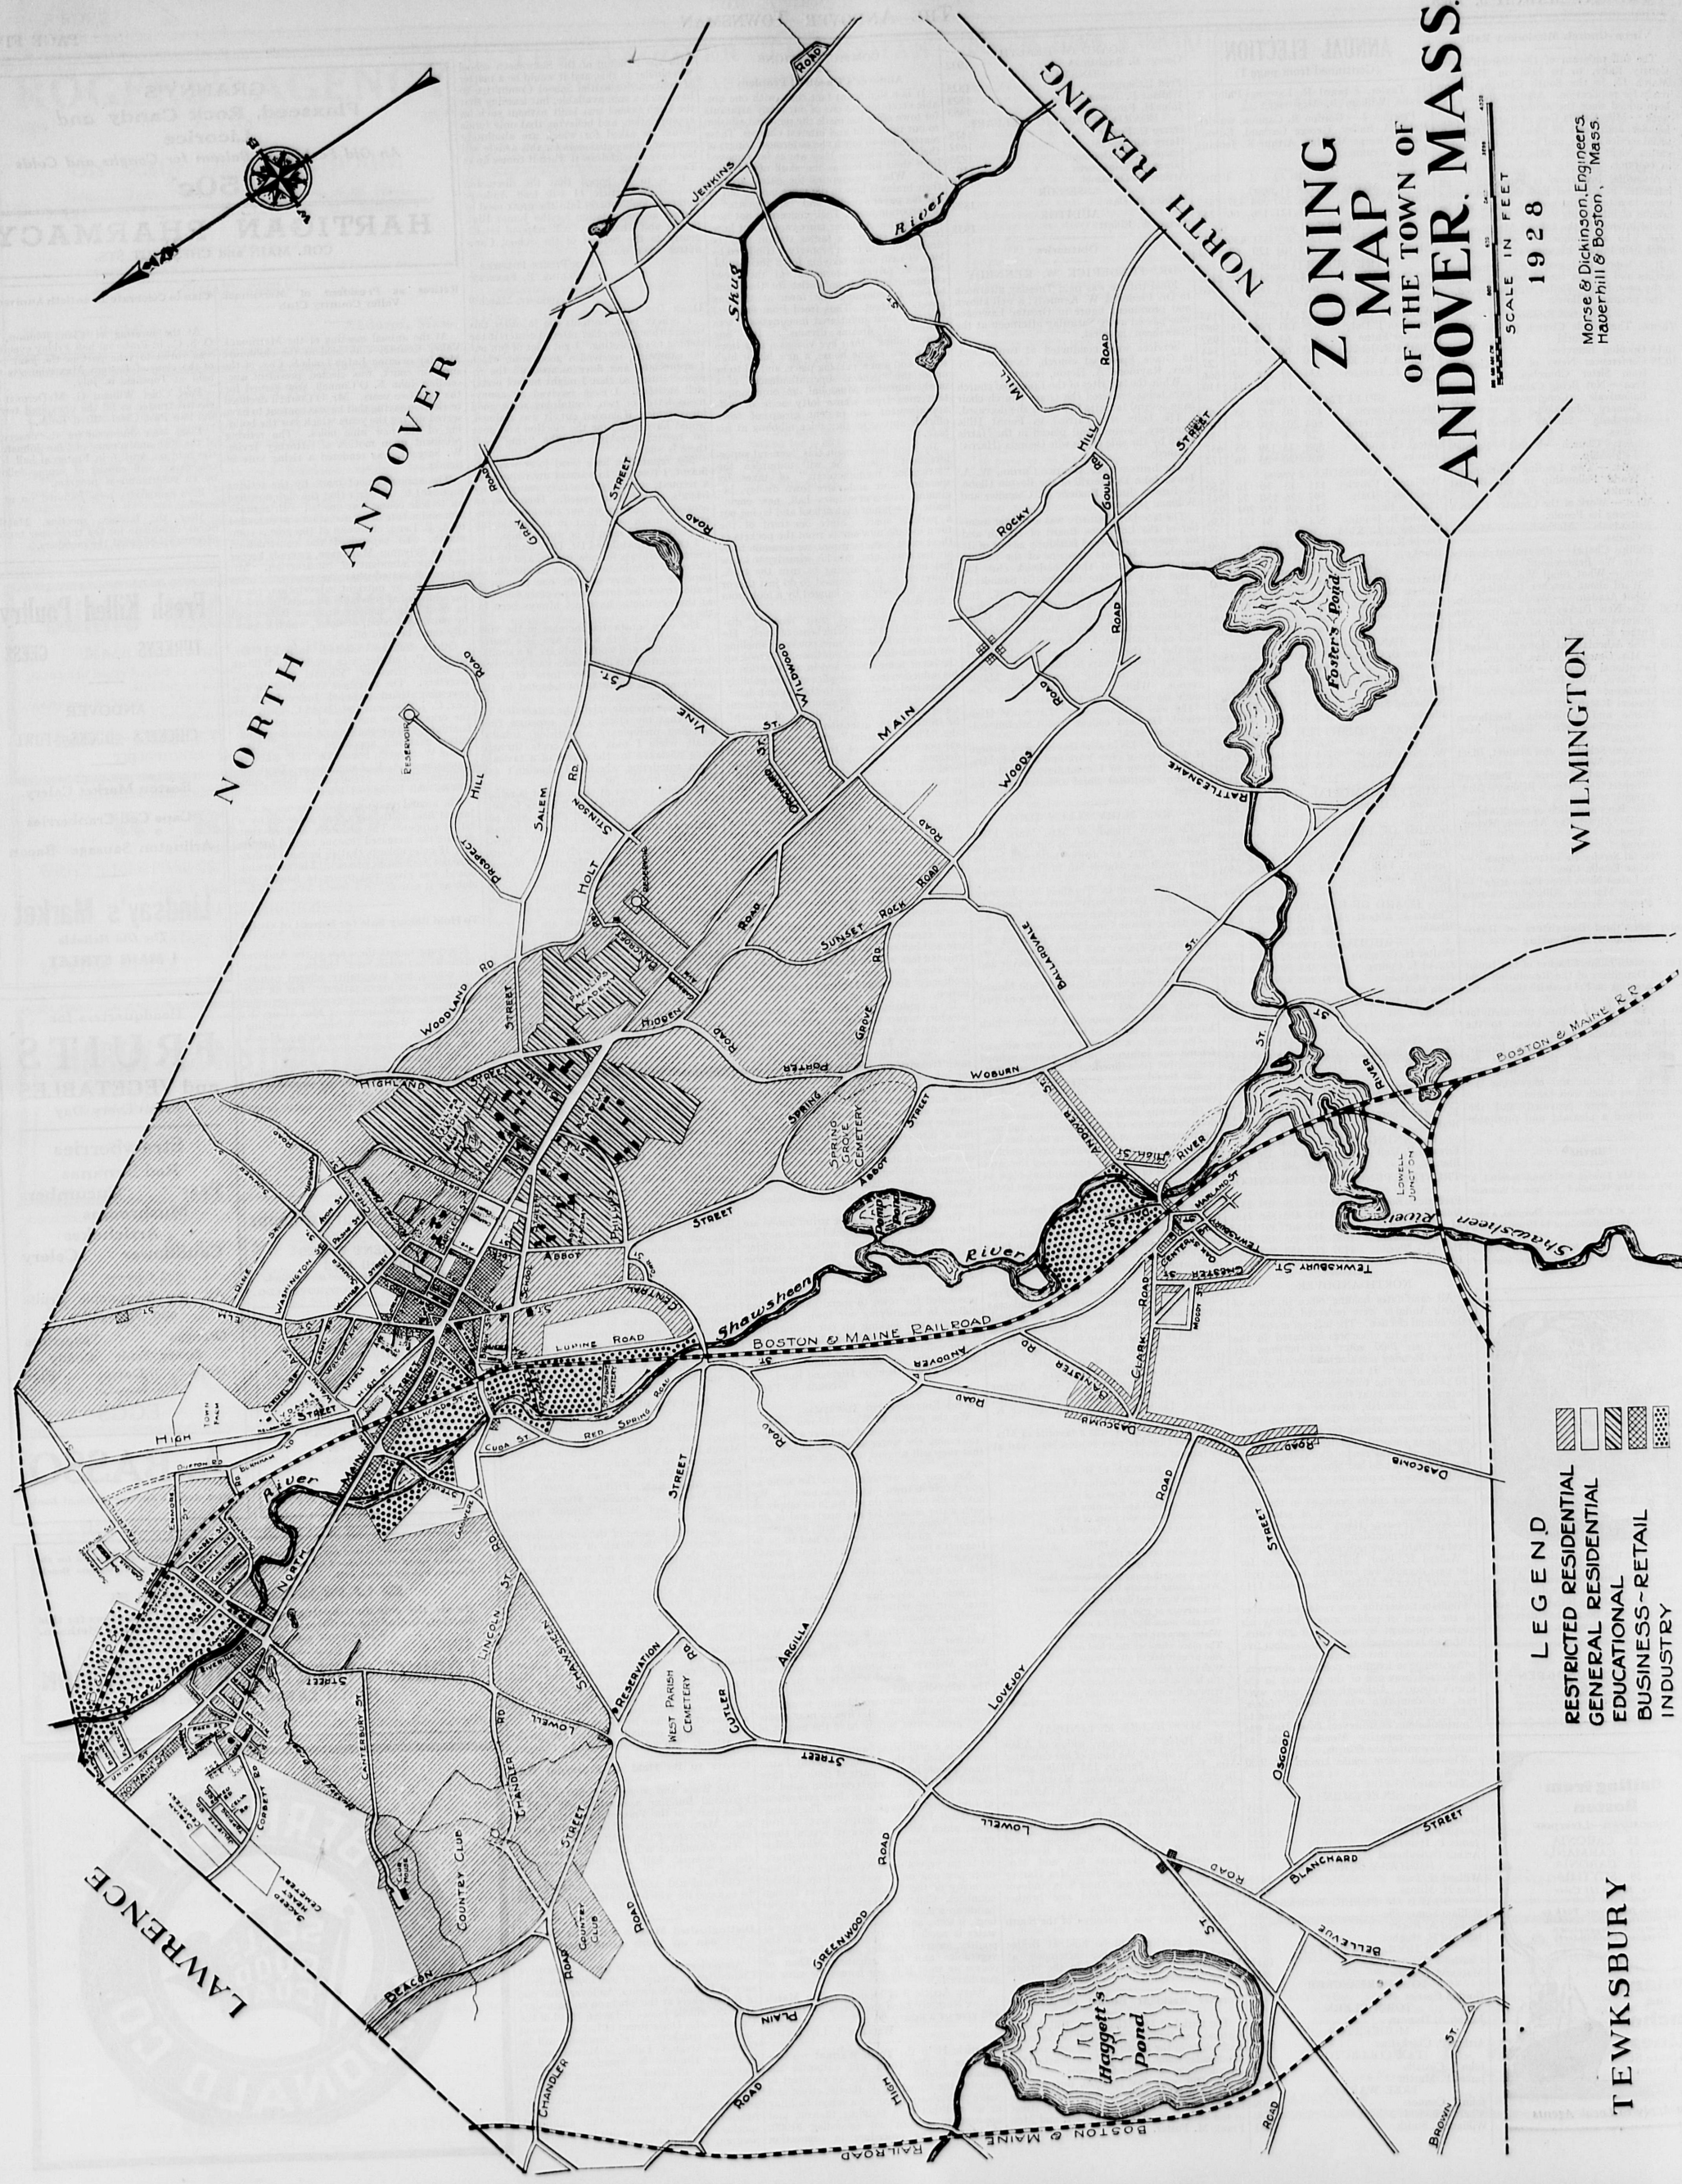

The funeral service was held in the Free Church on Wednesday afternoon and was conducted by her pastor, Rev. A. C. Church and Rev. F. A. Wilson. A large company attended in loving tribute to her memory.

The remains were placed in the Spring Grove tomb, but will soon be laid in the family lot in the Boxford cemetery.

The bearers were Frank L. Cole, Arthur W. Cole, James Gillespie, Jr., Arthur R. Jackson, Lindsay Kinnear and Arthur R. Lewis.

The following poem was a favorite of Mrs. Todd's and by her own request was read at her funeral service.

BOOST ANDOVER — LIVE IN ANDOVER

GLENNIE'S MILK — PURE — SWEET — CLEAN GOOD SERVICE — ANYWHERE — ANY QUANTITY

This Has Been a Slogan for Nearly Forty Years—Each Year Has Shown an Increase in Growth until Now more than 6000 Families in Greater Lawrence Are Served Daily—Latest Equipment Is Used

The above heading has been a slogan for many years. There has been a continual effort to live up to it during the whole life of the owner.

Away back in 1890 a partnership was formed by James and Chas. D. Glennie known as Glennie Brothers, which continued for a number of years until the senior member James decided to sell his share of the milk business and buy Charles D.'s share of the home farm.

The business was continued on the same lines and has kept growing slowly but surely, every year showing a growth over the previous year both in quantity sold and customers served until now over 6000 different families are served daily in Greater Lawrence. In all these years there was only one day's

delivery omitted and that was on account of the big blizzard in 1898.

Many have been the changes since 1890 in most lines of business and this one has been no exception.

During these years it has been my aim to keep abreast of the demands of the times—introducing any improvement as soon as it was shown to be such—making mistakes of course but on the whole always in the lead.

We were the first to use Glass jars.
We were the first to use a bottle filler.
We were the first to use steam for washing.
We were the first to use a power bottle and can washer.

We were the first Lawrence Dealer to pasteurize.
We were the first to have an artificial ice machine.

We were the first to supply any of the schools.

We were the first to supply any of the mills.
We were the first to receive a license to pasteurize milk complying with the new state laws, of 1927.

We were the first to install a soaker type washer.
And now the first to use a Dircro delivery truck.

The milk plant at 117 Massachusetts Avenue, North Andover is fully equipped with modern equipment, and we would be pleased to have anyone visit us anytime. The best time would be between 9:30 a.m. and 1:30 p.m. when the milk is being bottled.

Yours for good milk and good service.
CHARLES D. GLENNIE

To Reply to Address of Welcome at Sesquicentennial Celebration

Announcement is made by the Executive Committee in charge of the 150th anniversary of Phillips Academy, Andover, to be observed on May 18 and 19, 1928, that the three speakers who will reply to the opening Address of Welcome by Headmaster Alfred E. Stearns, will be President A. Lawrence Lowell of Harvard University, President James R. Angell of Yale University, and President John G. Hibbon of Princeton University. Following their responses an Historical Address will be delivered by President Arthur Stanley Pease of Amherst College, and a poem will be read by Walter Prichard Eaton.

C. M. T. C.

The Citizens Military Training Camps will be held this summer from July 5 to August 3 inclusive. They are open to any male citizen between the ages of 17 and 31 who meets the physical and moral qualifications. Camps in New England are at Fort McKinley, Portland, Maine; Fort Adams, Newport, Rhode Island; Camp Devens, Ayer, Mass.; and Fort Ethan Allen, Burlington, Vermont. The quota of the last one has already been filled and the others are rapidly being reached. All expenses connected with the student are paid by the government. These include transportation, uniform, medical attention, athletic equipment and entertainment. Scholarships in several colleges are awarded to outstanding students. Last year seven men were enrolled from Andover and they are enthusiastic over the benefits derived. Most of them are already enrolled for the coming season.

Descriptive circulars and application blanks may be had of the local chairman, Nathan C. Hamblin, 117 Chestnut St.

Board of Health Nurse and Agent

To the Board of Health:
As Nurse and Agent, I submit the following report for the year 1927. There have been 257 contagious diseases reported, classified and compared with 1926 and 1925 as follows:

	1927	1926	1925
Influenza	1	7	28
Tuberculosis	11	5	12
Epidemic Cerebro-Spinal			
Meningitis	1	0	0
Typhoid Fever	0	62	16
Scarlet Fever	87	0	7
Diphtheria	0	0	7
Chicken Pox	17	77	31
Whooping Cough	29	22	100
Measles	20	44	164
Mumps	60	199	19
Lobar Pneumonia	12	15	10
Anterior Poliomyelitis	8	0	1
German Measles	9	30	14
Septic Sore Throat	0	1	0
Gonorrhea	2	1	3
Totals	257	464	405
Deaths from Contagious Diseases:			
Tuberculosis	1927	1926	1925
Lobar Pneumonia	3	8	4
Epidemic Cerebro-Spinal			
Meningitis	1	0	0
Typhoid	0	0	3
Diphtheria	0	0	3
Influenza	0	3	1
Totals	11	13	14

It is most gratifying to note this year that we have had no cases of typhoid in spite of the fact that there was such a great epidemic of this disease in Canada. It was thought most probable, by the health authorities, that the disease would spread, owing to the fact that many travel to Canada during the summer months. Many of our townpeople were inoculated against typhoid before going on their vacation, which surely is the best protection for both the people themselves and the community.

Infantile paralysis has caused much anxiety as this seems to be the maximum year for cases of this disease. The cause of the disease seems to be as much of a mystery as ever. The convalescence serum when given in the early stages has been of great benefit in many cases, as the patient invariably seemed to clear up without any paralysis.

Our statistics show us that we have not had a case of diphtheria for the past two years. The Schick test has so far proven its great value both in conservation of life and protection against this disease, and I sincerely hope the mothers will continue to look upon this precautionary method in the future as they have in the past few years.

In spite of the fact that we have had very good quarantine in our cases of scarlet fever, there have been eight-seven cases reported this year. In most of the cases serum was given with very good results. I wish to emphasize here that where a case of scarlet fever exists a most rigid law of quarantine should be kept. It may seem hard for those who are unfortunate enough to have a case of scarlet fever in their family, but it is only fair that the public should have every possible means of protection from a disease that sometimes has such bad complications and terrible after effects.

Although the Baby Clinic held at the Guild every second Tuesday of the month, has been open only a short while, several hundred babies have been examined, which surely should reduce our baby mortality. Colds and incorrect feeding are the dangers to be avoided.

On account of so many catarrhal colds this year the human system has been impaired, and the result seems to produce many cases of pneumonia, of all kinds and types. It would be wise for those suffering from colds to isolate themselves as much as possible from the public, and seek medical advice in the early stages, as the mortality from lobar pneumonia is very high.

As I have had many inquiries concerning cancer, I wish to state that cancer is not a reportable disease because it is not considered contagious. If a person has any suspicion that his suffering may be caused from this disease a physician should be consulted at once. There are many clinics being held throughout the State and I think the nearest one to Andover is held every Friday at the Lowell General Hospital at Lowell, Mass.

Many complaints as to unsanitary conditions have been received by the Board of Health, all being handled in a routine way. There still remain a few people who do not respect other people's property and throw all sorts of debris in vacant lots, which has caused much trouble. On the whole I wish to state that in the residential sections of the town, sanitary conditions are excellent.

All communicable diseases must be reported to the local Board of Health. Any person concealing a contagious or infectious disease, that is reportable by law, will be prosecuted accordingly.

Respectfully submitted,
LOTTA JOHNSON, R.N.

Speaker: How did the students like his chapel address?

Dean: Well, they all nodded approval!

Square and Compass Club Bowlers Start on Last Round

The Andover Square and Compass club bowlers started on the last round of the league Tuesday night with Roy E. Hardy still leading. J. E. Collins dropped down to fourth place being displaced by J. P. Christie. Nine bowlers are now hitting 90 or better.

AGRICULTURAL SCHOOL NOTES

Farmers' and Homemakers' Day
For thirteen years a Farmers' Day has been held at the Agricultural School. This year for the first time we are holding a Farmers' and Homemakers' Day. Has it taken thirteen years to discover that the farmers' problem is inseparable from the homemakers' problem? We are doubly glad to welcome homemakers of Essex County on Wednesday, March 14.

Everyone will wish to welcome President Thatcher of Massachusetts Agricultural College in the morning. In the afternoon the program for women will be held in the Home-making Department. At 1.30 Mrs. H. J. Haynes, Extension Specialist in Home Management of Massachusetts Agricultural College, will give an illustrated talk on the labor-saving kitchen. She will give suggestions for the arrangement of essential equipment in a kitchen planned for the busy homemaker.

At 2.30 Mrs. Annette T. Herr, State Leader of Home Demonstration Agent, will talk on "Present Day Problems in Child Training." Mrs. Herr is particularly well equipped to help with this problem. She speaks from the view-point of a parent and a trained homemaker. Time will be given for discussion at both lectures.

The Home Demonstration Agent will have an exhibit illustrating the labor-saving kitchen. There will be on exhibit a miniature labor-saving kitchen and an energy-wasting kitchen. The exhibit will also show best materials to be used for the kitchen walls and floors, and also up-to-date equipment. Mrs. Haynes will be in attendance to give practical suggestions to homemakers interested in renovating their kitchens.

Doctor Gates Speaker on March 14

The beekeepers of Essex County are fortunate in having an opportunity to hear the first time the speaker on the Fourteenth Annual Farmers' and Homemakers' Day at the Essex Agricultural School, March 14. There will be a fine exhibit of honey and bee-keeping products and equipment by the students of the School who have organized themselves into a bee-keeping club.

President Thatcher a Welcome Guest

Another very important meeting will be the address by Dr. R. W. Thatcher, President of the Massachusetts Agricultural College, Amherst. This will be the first opportunity that Essex County farmers have had to hear President Thatcher in this county. He is a big man, physically as well as mentally. Reared on a farm in Ohio, he graduated from the University of Nebraska, and is a member of prominent honorary societies such as the Sigma Xi, and is a member of the Phi Beta Kappa pin, as well as a member of the Alpha Zeta fraternity. He shows unusual scholastic attainments.

After graduating from college Dr. Thatcher taught in the School in Nebraska for two years. He then became assistant chemist at the Nebraska Agricultural Experiment Station. Then he went to the State of Washington as an assistant professor in chemistry and was later promoted to that of chemist. He stayed there ten years, becoming later Director of the Experiment Station of that state. In 1913 he went to the University of Minnesota as professor of agricultural chemistry. After four years there he was made Dean of the Department of Agriculture and Director of the Experiment Station. In 1921 he became director of the New York Experiment Station at Geneva. In 1923 he became director of research at Geneva and at Cornell College of Agriculture. He held that position until coming to Massachusetts as President of the Agricultural College.

Dr. Thatcher has a wide knowledge of agriculture, covering not only the west but the middle west and the east. He combines progressiveness with an inherent common sense and conservatism, making a very well rounded man. Farmers as well as homemakers will not want to miss hearing his optimistic message for New Englanders. His address will come at 11.00 a.m. in the Main Hall of the Agricultural School.

Our science department announces that a patent has been issued on a newly invented fountain pen with a lollipop cap.

PERSONALS

Miss Nelda Bedell of the Lawrence street church, Lawrence, will be the soloist at the Shawshoene community service, Sunday evening.

Wedding

SCHULZE — PAUL
Saturday at 12.30 p.m., Miss Gladys Paul of Andover street Ballardvale, was united in marriage to Carl Schulze of Poor street by Rev. Alfred C. Church of the Free church. They were attended by Miss Edith Moss and Carleton Schulze. After a wedding trip to New York they will reside in the village.

Sunday Evening Service

The preacher at the Sunday evening service of the Shawshoene Community church will be Rev. E. Victor Bigelow of the South church. The service is held at 7.30 o'clock in Balmoral hall and all are invited to attend.

Spools Drop Two Points

The Spools, leaders in the Thimble Club league, dropped two points to the Needles Monday afternoon and came within two pins of being defeated. The first string was tied at 366 and the Spools won the second string 384 to 382 giving them the first string point. The Needles won the third string 381 to 378 giving them the total pinfall by one. Mrs. M. C. Clark hit 88 and 250, Mrs. G. Flint 89 and 244 and Miss B. Higgins 86 and 241.

The Buttons took three from the Scissors 1075 to 1033, the Scissors taking the last string 348 to 342. Mrs. E. Hill had high single of 98 and top triple of 250. Mrs. M. Wadman was high for the Scissors with 80 and 222.

The Pins outrolled the Thimbles 1068 to 1039 and took three points. For two pins, 348 to 346, the Thimbles gave away the first string but won the second 350 to 338. The final string went to the Pins 382 to 343. Mrs. F. Temple hit 83 and 240 and Mrs. N. Kimball 92 and 236.

Christ Church Notes

The Boy Rangers are to be presented with an American flag next Friday night at the Legion Hall by the Women's Auxiliary. A basketball has been given to them lately by H. Munroe and a volleyball has come from an anonymous giver, with both of which the boys are delighted. Both the Scouts and the Rangers are looking forward to the illustrated talk on camps to be given shortly by F. W. Lincoln, the Boys' Work Counselor from Boston.

Last year a copy of St. Luke's gospel went into the hands of each family in the Parish. This year St. John's gospel was sent out. On Tuesday nights at 8 o'clock talks are given by the Rector on St. John's Gospel at the Lenten services in the Parish House. The interest shown and the numbers coming for these busy days, quite encouraging. Next Tuesday night the subject will be "Our Lord in St. John's Gospel." Among the books which give information on this gospel are Chamwood's "According to St. John," Carpenter's "The Johannine Writings," "The Gospel of St. John" in the Expositor's Bible, Moffat's "Introduction to the Literature of the New Testament" and "Approach to the New Testament" and Scott Holland's "The Fourth Gospel."

As an indication of the interest in religious matters Mrs. H. C. Bodwell has received numbers of orders for Bishop Slattery's "Following Christ," which is recommended for Lenten reading this year. Mrs. H. C. Tyler is reading portions of the "Christ of the Indian Road" (Jones) at the meetings of the Women's Guild on Fridays.

The Young People's Fellowship are looking forward to the talk of Miss Edna Brown, "The Use of Books" on Sunday night at 6.30 o'clock. The following Sunday night will come the Rector's Question Box. The Girls' Basketball team is now ready to win as the Fellowship Debating Team has done lately.

The Proposal

Him—I wish I dared to ask you a very important question.
Her—Why don't you?
Him—I see negative in your eyes.
Her—In both of them?
Him—Yes.
Her—Don't you know that two negatives make an affirmative? Charlie, how dare you!—Montreal Star.

"IT HAPPENED IN JUNE"

Presented at Woman's Club Meeting and Repeated at Public Performance to Capacity Audience

The annual gentleman's night of the Shawshoene Village Woman's club was observed last Monday night and a capacity audience enjoyed the presentation of "It Happened in June" by members of the club. All members of the cast portrayed their respective roles cleverly and gave a public presentation Wednesday evening. The play was coached by Miss Grace Foss of North Andover.

A buffet lunch was served at the gentleman's night and an hour of dancing was enjoyed.

The cast was as follows:

Betty Branson	Ethel Ambye
Susie Crundel	Maidie Lindsay
Nell Crundel	Rachael Stickeney
Bertha Clark	Carola Burt
Evalina Scroggs	Anna Blades
Charles Atkins	Roxie Smith
Randy Stewart	Helen Schwarz
Jim Pritchett	Mary Moor
Jarvis Sneed	

Scene: Living-dining room of the Branson home in the village of Shady Grove.

Marshals Land Second Place

A four-point win by the Marshals over the Stewards 1342 to 1247 landed the former back into second place. Dave Preston hit 106, 101, 93 for high triple of 300 and John Ralph 96, 98, 103 for 297. D. Coutts led the tailenders with 106 and 276.

The Wardens and Masters split even, the Wardens taking the first string and total 1555 to 1543. Frankie Baldwin of the Masters had a big night hitting 104 and 286. Harry Wadman led the Wardens with 109 and 280. Ralph Hadley was next with 103 and 278.

The best the Tylers could do was to take one point from the Deacons who won 1583 to 1554. In the final string the Tylers hit 556 but not enough to overcome the Deacons' two string lead of 68 pins. Incidentally the Deacons owe their present position at top of the league to the Tylers who have presented them with 18 points out of a possible 20. Joe Higginson hit 107, 84, 102 for 293. J. P. Christie and H. Peters were tied at 276.
